**Congresswoman Malliotakis Is Creating Meaningful, Positive Change for New Yorkers**

Dear Friend,

While New York City continues to recover from the COVID-19 pandemic, I want you to know I'm working each and every day as your Member of Congress to get our community back on track.

The pandemic took a toll on many New Yorkers, and I understand pocketbooks are tighter now than ever before. That's why I continue to push back against policies that would raise your taxes, increase energy costs, and infringe on your personal privacy and individual liberties.

In Congress, I've fought to reopen our schools to provide our children with quality in-person education, make our community safer, and demand more accountability and transparency on behalf of our state and local governments to ensure your taxpayer dollars are being spent appropriately. Simply put, I am committed to working every day to advance and promote policies that improve your life and stop those who make it more difficult.

I am honored to serve you in Congress. As always, if there is anything I can do for you, please don't hesitate to contact my office.

Sincerely,

*Nicole Malliotakis*
